THE GOLF

The Golf

Architect: Arnold Palmer.

Practical questions to ask on your first visit:

- Walk a round in the cool season before deciding.
- Confirm caddie and walker policies for peak months.
- Ask about pace-of-play targets.

THE CLUB

The Club

Equity membership with a modest cap. Social calendar exists but morning golf is the dominant rhythm. No resort play.

No fee numbers are printed in this guide. Verify all financial terms directly with the membership office.

THE REAL ESTATE

The Real Estate

Mix of estate-scale customs and more modest single-family homes from the late 1990s and early 2000s. Architectural language skews traditional Spanish-Mediterranean.
